

# ANDREW & KELSEY

# Hi there!

We are so excited about our adoption journey. Adoption has always been something we have wanted to do. When we were dating and would talk about what our future would look like, we always knew we would adopt. We just cannot say thank you enough for considering us. Parenthood has always been a dream of ours for years now and through adoption that has been made possible. We just want you to know that we love you and we have been praying for you.

## A FEW OF OUR FAVORITE THINGS

- TEACHING SUNDAY SCHOOL TOGETHER
- HIKING
- COFFEE
- JEEP RIDES
- TRAVELING

Andrew and I are high school sweethearts. We started dating in 2010 and have been inseparable ever since. After nine years of dating and one house remodel we got married in May of 2019. We decided to start trying to grow our family soon after we got married only to find that I had fertility issues. We went through four years of treatments, and we have had five miscarriages. We truly believe that adoption is what the Lord wants us to do. With all the loss we have experienced, we know that the Lord's plan for us and our family is so much more than we could ever have imagined for ourselves. Andrew and I both grew up in extremely loving homes. We are looking forward to sharing all the love we have together with our own little blessing. Andrew is the baby of three while I am an only child.

Kelsey

## A NOTE FROM ANDREW

Kelsey is one of the most selfless and caring people I know. She is funny and so full of life. She is always doing for others and spoiling our friends' children and the children at church. She never misses an opportunity to pick up one of the babies at church and love on them. Kelsey has a deep love for Fall. She loves going on long rides to look at all the leaves as they change. Her favorite thing of all is Christmas lights. Our local city park has a drive through light set up that starts Thanksgiving night and ends on New Years night. Kelsey makes hot chocolate for us, and we go through the park every single night. I love seeing the look on her face when we ride through the lights and cannot wait to see that same look on the faces of our children. I never knew how strong Kelsey was until we experienced loss over and over again. Our marriage grew stronger in our hard times when it could have easily gone the other way.

♡ Andrew

I THANK GOD EVERYDAY FOR HER BECAUSE I WOULD NOT BE THE MAN, I AM TODAY WITHOUT HER LOVE AND SUPPORT. I KNOW THAT SHE IS GOING TO BE A GREAT MOM, AND I CANNOT WAIT TO SEE WHAT GOD HAS IN STORE FOR OUR FAMILY.

ALL ABOUT

Andrew

## A NOTE FROM KELSEY

Andrew is the most patient, caring, and hardworking person I know. He loves helping people and would do anything for his family and friends. Once a month we work in the nursery during church service. I watch him as he plays with all the children and they sit there and just giggle at him being a goof ball. It gives me pure joy. I am truly blessed to have a husband that loves and serves the Lord through all that he does. He has truly been my rock over the last four years. He has cried with me, prayed with and for me. He is always there for me. I cannot wait to see him be a father and for us to serve as a family.

# OUR Family & Friends

Both sets of grandparents live in the same state and town. Kelsey's parents live five minutes across the highway from us. Andrew's parents are about seven minutes. We get to see our parents multiple times a week. Our parents are excited about a grandbaby, it has been 15 years since Andrew's family has had a grandbaby.

WE HAVE THE MOST AMAZING GROUP OF FRIENDS. WE ALL GO TO THE SAME CHURCH AND GREW UP TOGETHER. WE TRY TO GET TOGETHER AS MUCH AS POSSIBLE. WE ARE EXCITED TO GET TO SHARE AND MAKE MEMORIES WITH ALL OF OUR CHILDREN.

# OUR Home

We live in a rural area with beautiful mountain views all around. We are a little bit secluded but still close to town. We have plenty of room for kids to run and play along with our sweet pup, Charlie.

## Charlie

Charlie is a two year-old Black Lab. She is super sweet and loves cuddles.

She is so excited for a human sibling. She loves all of our friends' kids and we know she will be the best big sister.
